Certificate Number 09

Issued by:
Aerial Application Association of Australia Ltd
ABN 13 002 501 886

Having agreed to the terms and conditions of the Spraysafe Program, have demonstrated their interest in improving and sustaining their professionalism as aerial applicators by:

- » Employing only qualified and trained personnel
- » Complying with legislation relating to application, public and occupational health and the environment
- » Having their aircraft and equipment meet the required standards.

This accreditation is subject to renewal and review and may be withdrawn at any time under the requirements of the Spraysafe program.
